If we move into Phase 3 our learning modality will be moved to on-line as soon as possible.
If we move into Phase 5 our learning modality will be gradually moved into a five day a week face to face learning as soon as possible.

Beginning with the 2016-17 school year, all districts must provide at least 180 days of instruction pursuant to Section 101(3)(b) Pupil instructional days for kindergarten may be scheduled for a half-day session, a full-day session, or an alternative-day session; thus, kindergarten is not required to meet a minimum number of days. This guideline has been suspended due to the COVID-19 pandemic for the 2020-21 school year. Our calendar indeed reflects our district's ability to demonstrate that we intend to meet the 180 day threshold for the 2020-21 school year despite beginning the year in a different learning modality than five days a week face-to-face instruction.
